GoGreen Portland Adds New EPA Executive Forum to Fall Conference

Outstanding Participants of EPA Programs Featured

September 10, 2014 (Portland, Ore.) — New to GoGreen Portland 2014 is the EPA Executive Forum, a cross-sector collaboration of the business and public sector, with a panel of "Outstanding Participants" who have received awards from the EPA SmartWay Transport Partnership, Food Recovery Challenge, EnergyStar and Green Power Partnership programs. The awards recognize the leading efforts and achievements of organizations working to improve environmental leadership. Several organizations leading the efforts in sustainability will share best practices and discuss how free EPA tools and resources helped them achieve the levels of organizational sustainability.

Keynote Address:

Kate Kelly, Director, Office of Air, Waste, and Toxics, U.S. EPA, Region 10

Panel Session to Follow Featuring:

Moderator: Kate Kelly | Director, Office of Air, Waste, and Toxics, U.S. EPA, Region 10

Susan Anderson | Director, Bureau of Planning and Sustainability, City of Portland

Richard Beam, MBA, CEP | Director, Energy Management, Engineering & Hospitality Services, Providence Health & Services

Teak Wall | Sustainability Manager, New Seasons Market

Event Details

About GoGreen Conference

The GoGreen Conference, headquartered in Portland, Oregon, is a sustainability learning experience for organizational decision-makers. Featuring regionally targeted content and recognized leaders from the community, GoGreen works across industry silos to foster peer-to-peer learning and collaborative solutions. Our mission is to empower attendees with the sustainability strategies, tools, and connections to build resilient, profitable organizations while driving the development of sustainable cities and regions.

About EPA Region 10

EPA Region 10 protects human health and the environment by implementing and enforcing federal environmental rules and regulations in partnership with the states of Washington, Oregon, Idaho and Alaska, as well as 271 tribal governments in the Pacific Northwest and Alaska.

For more information about EPA Region 10, please visit: www.epa.gov/region10.
